Extensive Use of Resources & Associated Fees

Extensive research fee is defined as a special service charge when the nature or volume of public records to be inspected is such as to require extensive use of information technology resources, or extensive clerical assistance or supervisory assistance or both. The requestor will be notified of the estimated cost and confirm whether the requestor is willing to pay the labor charges/copying charges, if any. The requestor will be notified that the fee must be paid in advance of the requestor's receipt of records. For extensive requests (those requiring more than 15 minutes in labor charges and/or copying charges) the City shall require a minimum deposit of \$25 (Deposit will be adjusted depending on the volume of the records/research requested) prior to the beginning records retrieval. The deposit will be applied to the final cost of the public records request.

Note: Requestors with an outstanding balance that submits additional public records requests will not be processed until the initial request balance has been satisfied.

If a request is not paid within 30 days, it will be considered abandoned and cancelled.
